## X6850HRT incline elliptical™ trainer

Loaded with innovation, this Commercial-grade elliptical trainer offers a unique ramp incline feature that allows the user to adjust the pedal motion for an enhanced full-body workout.

- Blue backlit LCD display is aesthetically pleasing and easier to read
- Fan with high and low settings can be adjusted according to the height of each individual user
- Ramp Control has an incline range from 4 to 21 degrees

## warranty\*

We offer a Commercial warranty on our products, which covers a Lifetime on frame; five years on generator system, electronics, and parts; and two years on labor.
